

WorkinWith  
Stronger Together

Press Release – Barcelona, April 4th, 2024

## **WorkinWith** strengthens its international presence with the opening of a new office in **Spain**.

**WorkinWith, an agile innovative European Microsoft Dynamics 365 partner, the appointment of Mauricio Saldaña as Managing Director of WorkinWith Spain.**

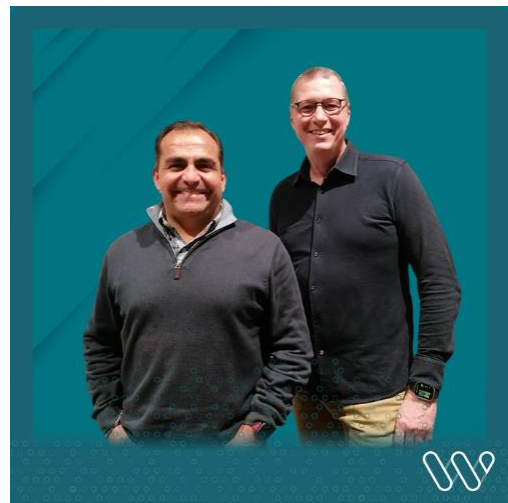

Mauricio will also help reinforce the company's outstanding reputation among professionals and customers alike.

WorkinWith is the result of a collective adventure spanning more than 20 years, which has produced experts with solid skills and an excellent reputation for implementing Microsoft Dynamics ERP & CRM projects.

Stéphane Pasche, founder and CEO of WorkinWith, comments on the appointment:

*"I'm delighted that Mauricio Saldaña has joined us as Managing Director for Spain. His incredibly strong knowledge and experience will be essential in pursuing our ambitious plans to grow and develop recruitment solutions for our customers. As we grow our business and expand the range of services we offer our customers, we will invest in our people to reflect our ambition."*

This new collaboration is the result of past experiences where Stéphane and Mauricio's successes have been common. Sharing a common vision of Excellence, Mauricio joins the WorkinWith adventure after almost two years of activity and some great projects already implemented!

Mauricio Saldaña, Country Manager WorkinWith and Stéphane Pasche CEO WorkinWith Group
